

Fishery Conservation and Management

§ 630.51

tuna, apply to swordfish from the North Atlantic swordfish stock.

Subpart D—Donation Program

SOURCE: 59 FR 55064, Nov. 3, 1994, unless otherwise noted.

§ 630.50 Purpose.

This subpart implements a program under which swordfish from the North Atlantic swordfish stock that are retained in excess of the trip allowance for undersized swordfish specified in § 630.23(b) must be retained for donation through the Second Harvest National Foodbank Network to the needy. This program is intended to obtain additional information regarding the harvest, mortality, and biological characteristics of swordfish less than the minimum size limit and to avoid waste of swordfish that would otherwise be discarded dead.

§ 630.51 Participation.

(a) *General.* Owners of vessels and dealers permitted under § 630.4 may volunteer to participate in the swordfish donation program by contacting the Chief, Highly Migratory Species Division, Office of Fisheries Conservation and Management, NMFS, 1335 East-West Highway, Silver Spring, MD 20910; telephone: (301) 713-2347, facsimile (301) 588-4967. The Chief, Highly Migratory Species Division, will select owners of vessels and dealers who may participate in the donation program and will keep selected vessel owners advised of the selected dealers.

(1) Factors that will be considered in the selection process include:

(i) History of voluntary participation in NMFS cooperative scientific programs;

(ii) Whether both vessel and dealer volunteers can be matched in an area throughout the year (including truck routes) to ensure distribution of donated fish;

(iii) Representative coverage of the fishery, to the extent possible; and

(iv) Compliance record of volunteers. Specifically, any person who has been issued a Notice of Violation and Assessment (NOVA) for violating any provision of the Magnuson Act (16 U.S.C. 1802 *et seq.*), the Lacey Act (16 U.S.C.

3371 *et seq.*), or the ATCA (16 U.S.C. 971 *et seq.*), or who is currently under investigation for such a violation, may be excluded from the program.

(2) Selected dealers will also be advised of the selected vessel owners and of authorized Second Harvest recipients of donated swordfish.

(3) Second Harvest is the Second Harvest National Foodbank Network, 116 South Michigan Avenue, Suite 4, Chicago, IL 60603-6001. Second Harvest affiliates are Certified Affiliate Food Banks throughout the United States that have a contract with Second Harvest and are officially part of their National Foodbank Network. Agents of Second Harvest are the individual charities that distribute or serve food to the needy from the Affiliate Food Banks, or a business designated by letter from Second Harvest to transport donated food between the foodbank and the charity.

(b) *Vessels.* The owner, or their operator, of a vessel that has been selected to participate in the donation program and so notified in writing by the Chief, Highly Migratory Species Division, may retain swordfish from the North Atlantic swordfish stock that are in excess of the trip allowance for undersized swordfish specified in § 630.23(b) under the following terms and conditions. No person may land a swordfish in excess of the trip allowance for undersized swordfish other than in accordance with these terms and conditions; any such landing constitutes a violation of the prohibition specified in § 630.7(q).

(1) The vessel's selection letter from the Chief, Highly Migratory Species Division, must be carried on board the fishing vessel and the operator must present it for inspection upon the request of an authorized officer.

(2) The vessel's owner or operator must release any swordfish that is less than the minimum allowable size specified in § 630.23(a) and that is alive when brought aboard the vessel, in a manner that will ensure maximum probability of survival. If caught by hook, such fish must be released by cutting the line near the hook without removing the swordfish from the water. The
